

NORFOLK FAMILY WALK

Sunday 10th October 2010
10am – 4pm at HOLKHAM HALL

Brain tumours now account for more deaths among children and those under 40 than any other cancer – please help us to find a cure

The 2010 Walk Around the World for Brain Tumours, a project of the International Brain Tumour Alliance (IBTA), is being held between January and November 2010 to encourage people to undertake sponsored walks to raise awareness about brain tumours and to donate the mileage covered to the World Walk's target of circling the world seven times at the Equator (equivalent to 175,000 miles).

The World Walk symbolically unites all those around the globe whose lives have been touched by a brain tumour. **Astro Fund** (www.astrofund.org.uk) is organising the walk at Holkham Hall to which all brain tumour and related charities are welcomed to raise money for themselves. The entrance fee of £5 per adult, children free, helps cover our expenses but all sponsorship monies will be the property of the charities taking part.
