## **ASTRO BRAIN TUMOUR FUND**

### **DATA PROTECTION STATEMENT**

Astro Brain Tumour Fund (ABTF) is a registered charity (No. 1133561) working to find a cure for low-grade astrocytoma, oligodendroglioma, oligoastrocytoma and ependymoma brain tumours by raising money to support low-grade glioma research projects at the most innovative neuro-oncology research centres in the UK.

Information, inspiration and support is offered to help patients, carers, friends and relatives through the challenges of living with a slow growing brain tumour.

The personal data processed by ABTF consists of names and email addresses and these are not offered to any third party.

This data is used to send out newsletters and information and have been given freely.

It is noted that :-

Trustees will not ask for or store personal bank information

Trustees will not share emails with third parties

Personal email addresses are stored on a secure network accessed by the Treasurer
